

4.73 – VCR MONITORING OF SCHOOL BUSES

Benton School District #8 will use hidden video cameras at various and unknown times on school buses for the purpose of recording student discipline or behavior.

These tapes will remain the property of the District and will be subject to review only by authorized school personnel.

Parents of students may request a review of the filming in certain cases of disciplinary infractions.

A committee of bus driver, principal and transportation supervisor will determine for just cause the need of review by parents.

Appeals will be made through proper channels (Principals - Director of Support Services).
