

5.21—ADVANCED PLACEMENT

Students who take advanced placement courses or concurrent credit college courses approved for weighted credit by the Arkansas Department of Education shall be graded according to the following schedule.

A = 100 – 90
B = 89 – 80
C = 79 – 70
D = 69-60
F = 59 and below

For the purpose of determining grade point averages, the numeric value of each letter grade shall be

A = 5 points
B = 4 points
C = 3 points
D = 2 point
F = 0 points

For a student to be eligible to receive weighted credit for an AP course, the student's course must have been taught by an Arkansas licensed teacher who has received the appropriate training required by Arkansas statute and ADE Rule or, for an AP teacher, is in the process of completing an Additional Training Plan.

Students taking AP courses shall receive weighted credit as described in this policy. Credit shall be given for each grading period during the course of the year, but shall be retroactively removed from a student's grade for any course in which the student fails to take the applicable AP exam. Students who do not take the AP exam shall receive the same numeric value for the grade he/she receives in the course as if it were a non-AP course.

Students who transfer into the district will be given weighted credit for the Advanced Placement courses approved by the Arkansas Department of Education according to the preceding scale.
