

8.30—CLASSIFIED PERSONNEL REDUCTION IN FORCE

The School Board acknowledges its authority to conduct a reduction in force (RIF) when a decrease in enrollment or other reason(s) make such a reduction necessary or desirable. A RIF will be conducted when the need for a reduction in the work force exceeds the normal rate of attrition for that portion of the staff that is in excess of the needs of the district as determined by the superintendent.

In effecting a reduction in force, the primary goals of the school district shall be: what is in the best interests of the students; to maintain accreditation in compliance with the Standards of Accreditation for Arkansas Public Schools and/or the North Central Association; and the needs of the district. A reduction in force will be implemented when the superintendent determines it is advisable to do so and shall be effected through non-renewal, termination, or both. Any reduction in force will be conducted by evaluating the needs and long- and short-term goals of the school district in relation to the staffing of the district.

If a reduction in force becomes necessary, the RIF shall be conducted separately for each occupational category of classified personnel identified within the district on the basis of each employee's years of service. The employee within each occupational category with the least years of experience will be non-renewed first. The employee with the most years of employment in the district as compared to other employees in the same category shall be non-renewed last. In the event that employees within a given occupational category have the same length of service to the district the one with the earlier hire date, pending board approval, will prevail. In the event that two employees have exactly the same hire date, additional factors such as attendance records and documented disciplinary actions will be considered.

When the District is conducting a RIF, all potentially affected classified employees shall receive a listing of the personnel within their category with corresponding totals of years of service. Upon receipt of the list, each employee has ten (10) working days within which to appeal his or her total years of service to the superintendent whose decision shall be final. Except for changes made pursuant to the appeals process, no changes will be made to the list that would affect an employee's total after the list is released.

Total years of service to the district shall include non-continuous years of service; in other words, an employee who left the district and returned later will have the total years of service counted, from all periods of employment. A year constitutes 160 or more days worked. Length of service in a licensed position shall not count for the purpose of length of service for a classified position. There is no right or implied right for any employee to "bump" or displace any other employee. This specifically does not allow a licensed employee who might wish to assume a classified position to displace a classified employee.

Pursuant to any reduction in force brought about by consolidation or annexation and as a part of it, the salaries of all employees will be brought into compliance, by a partial RIF if necessary, with the receiving district's salary schedule. Further adjustments will be made if length of contract or job assignments change.

For a period of up to two (2) years from the date of board action on the classified employee's non-renewal or termination recommendation under this policy, a classified employee shall be offered an opportunity to fill a classified vacancy comparable as to pay, responsibility and contract length to the position from which the employee was non-renewed, and for which he or she is qualified. The non-renewed employee shall be eligible

to be recalled for a period of two (2) years in reverse order of the non-renewal to any position for which he or she is qualified. No right of recall shall exist for non-renewal from a stipend, or non-renewal or reduction of a stipend, or non-renewal to reduce contract length.

Notice of vacancies to non-renewed employees shall be by first class mail to all employees reasonably believed to be both qualified for and subject to rehire for a particular position and they shall have 10 working days from the date the notification is mailed in which to conditionally accept or reject the offer of a position with the actual offer going to the qualified employee with the most years of service who responds within the 10 day time period. A lack of response, as evidenced by a teacher's failure to respond within 10 working days, or a non-renewed employee's express refusal of an offer of a position or an employee's acceptance of a position but failure to sign an employment contract within two business days of the contract being presented to the employee shall constitute a rejection of the offered position and shall end the district's obligation to rehire the non-renewed employee. No further rights to be rehired because of the reduction in force shall exist.

In the event the district is involved in an annexation or consolidation, employees from all the districts involved will be ranked according to years of service. A year of employment at an annexed or consolidated district will be counted the same as a year at the receiving or resulting district. No credit for years of service will be given at other public or private schools, or for higher education or Educational Service Cooperative employment.
