

Benton School District Secondary Math (BJH/BHS) Year at a Glance

Month	Algebra I	Geometry A/B	Honors Geometry	Algebra II	Month
August (11 days)	Intro to Function Families (19 days)	Foundations of Geometry (12 days)	Foundations of Geometry Lines & Angles 7 Days	Analysis of Linear Functions	August (11 days)
September (21 Days)		Lines & Angles 12 Days	Triangles 11 Days	Quadratics & Polynomials 26-28 Days	September (21 Days)
October (22 Days)	Quadratics and Polynomials (4 Units/ 65 days)	Triangles 15 Days	Polygons 8 Days	Rational & Radical Functions 18-20 Days	October (22 Days)
		Polygons 12 Days	Congruence & Similarity 8 Days		
November (16 days)		Congruence and Similarity 20 Days	Circles 10 Days	Exponential/Logs 7-9 Days	November (16 days)
		December (14 Days)	Review	Solids 10 Days	
				Transformations 9 Days	Constructions 7 days
Semester Tests		Semester Tests	Semester Tests	Semester Tests	
January (19 days)	Linear (3 Units/ 54 days)	Transformations 11 days	Foundations of Geometry 7 Days	Analysis of Linear Functions 7-9 Days	January (19 days)
February (20 Days)		Circles 15 Days	Lines & Angles 7 days		Quadratics & Polynomials 26-28 Days
		Solids 16 Days	Triangles 10 Days		
March (18 Days)		Constructions 7 Days	Polygons 7 days	ACT Test	March (18 Days)
	April (18 Days)	Assessments	Congruence & Similarity 14 Days	Rational and Radical Functions	
		Conics 5 Days	Circles 10 Days	Exponential/Logs 7-9 Days	April (18 Days)
	Review	Solids 10 Days	Statistics 9-11 Days		
State Assessments					
May (16 Days)			10 days	Trig 4-6 Days	May (16 Days)
			Constructions 7 Days
