8.04— CLASSIFIED EMPLOYEES DRUG TESTING

Scope of Policy

Each person hired for a position which allows or requires that the employee operate any type of motor vehicle which is privately owned and operated for compensation, or which is owned, leased or otherwise operated by, or for the benefit of the District, and is operated for the transportation of children to or from school or school sponsored activity shall undergo a physical examination, including a drug test. Each person's initial employment for a job entailing a safety sensitive function is conditioned upon the district receiving a negative drug test result for that employee. The offer of employment is also conditioned upon the employee's signing an authorization for the request for information by the district from the Commercial Driver Alcohol and Drug Testing Database.

Methods of Testing

The collection, testing methods and standards shall be determined by the agency or other medical organizations chosen by the School Board to conduct the collection and testing of samples. The drug and alcohol testing is to be conducted by a laboratory certified pursuant to the most recent guidelines issued by the United States Department of Health and Human Services for such facilities. ("Mandatory Guidelines for Federal Workplace Drug Testing Programs").

Definition

Safety sensitive function includes:

- a) All time spent inspecting, servicing, and/or preparing the vehicle;
- b) All time spent driving the vehicle;
- c) All time spent loading or unloading the vehicle or supervising the loading or unloading of the vehicle; and
- d) All time spent repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

Requirements

Employees shall be drug and alcohol free from the time the employee is required to be ready to work until the employee is relieved from the responsibility for performing work and/or any time they are performing a safety-sensitive function. In addition to the testing required as an initial condition of employment, employees shall submit to subsequent drug tests as required by law and/or regulation. Subsequent testing includes, and/or is triggered by, but is not limited to:

1. Random tests;
2. Testing in conjunction with an accident;
3. Receiving a citation for a moving traffic violation; and
4. Reasonable suspicion.

Prohibitions

- A. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater;

- B. No driver shall use alcohol while performing safety-sensitive functions;
- C. No driver shall perform safety-sensitive functions within four (4) hours after using alcohol;
- D. No driver required to take a post-accident alcohol test under # 2 above shall use alcohol for eight (8) hours following the accident or until he/she undergoes a post-accident alcohol test, whichever occurs first;
- E. No driver shall refuse to submit to an alcohol or drug test in conjunction with # 1, 2, and/or 4 above;
- F. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when using any controlled substance, except when used pursuant to the instructions of a licensed medical practitioner, knowledgeable of the driver's job responsibilities, who has advised the driver that the substance will not adversely affect the driver's ability to safely operate his/her vehicle. It is the employee's responsibility to inform his/her supervisor of the employee's use of such medication;
- G. No driver shall report for duty, remain on duty, or perform a safety-sensitive function if the driver tests positive or has adulterated or substituted a test specimen for controlled substances.

Violation of any of these prohibitions may lead to disciplinary action being taken against the employee, which could include termination or non-renewal.

Testing for Cause

Drivers involved in an accident in which there is a loss of another person's life shall be tested for alcohol and controlled substances as soon as practicable following the accident. Drivers shall also be tested for alcohol within eight (8) hours and for controlled substances within thirty two (32) hours following an accident for which they receive a citation for a moving traffic violation if the accident involved: 1) bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident, or 2) one or more motor vehicles incurs disabling damage as a result of the accident requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

Refusal to Submit

Refusal to submit to an alcohol or controlled substance test means that the driver

- Failed to appear for any test within a reasonable period of time as determined by the employer consistent with applicable Department of Transportation agency regulation;
- Failed to remain at the testing site until the testing process was completed;
- Failed to provide a urine specimen for any required drug test;
- Failed to provide a sufficient amount of urine without an adequate medical reason for the failure;
- Failed to undergo a medical examination as directed by the Medical Review Officer as part of the verification process for the previous listed reason;
- Failed or declined to submit to a second test that the employer or collector has directed the driver to take;
- Failed to cooperate with any of the testing process; and/or
- Adulterated or substituted a test result as reported by the Medical Review Officer.

Consequences for Violations

Drivers who engage in any conduct prohibited by this policy, who refuse to take a required drug or alcohol test, refuse to sign the request for information required by law, or who exceed the acceptable limits for the respective tests shall no longer be allowed to perform safety sensitive functions. Actions regarding their continued employment shall be taken in relation to their inability to perform these functions and could include termination or non-renewal of their contract of employment.

Drivers who exhibit signs of violating the prohibitions of this policy relating to alcohol or controlled substances shall not be allowed to perform or continue to perform safety-sensitive functions if they exhibit those signs during, just preceding, or just after the period of the work day that the driver is required to be in compliance with the provisions of this policy. This action shall be based on specific, contemporaneous, articulatable observations concerning the behavior, speech, or body odors of the driver. The Superintendent or his/her designee shall require the driver to submit to “reasonable suspicion” tests for alcohol and controlled substances. The direction to submit to such tests must be made just before, just after, or during the time the driver is performing safety-sensitive functions. If circumstances prohibit the testing of the driver the Superintendent or his/her designee shall remove the driver from reporting for, or remaining on, duty for a minimum of 24 hours from the time the observation was made triggering the driver’s removal from duty.

If the results for an alcohol test administered to a driver is equal to or greater than 0.02, but less than 0.04, the driver shall be prohibited from performing safety-sensitive functions for a period not less than 24 hours from the time the test was administered. Unless the loss of duty time triggers other employment consequence policies, no further other action against the driver is authorized by this policy for test results showing an alcohol concentration of less than 0.04.

8.05—CLASSIFIED SICK LEAVE – POLICIES AND BENEFITS

All classified employees will earn a total of one day of sick leave for each month of contract employment. During an employee's first contract year, sick leave will be credited as earned. In each subsequent contract year sick leave will be credited July 1st. If an employee does not complete a contract year and has used more sick leave than is earned, the employee must reimburse the value of the unearned sick leave. If possible, such reimbursement will be deducted from the employee's final paycheck. In the event that an employee does not use all the days allotted for sick leave in any school year, such unused sick leave shall be cumulative to a total of 120 days. A "day" is considered to be the normal number of hours the employee is scheduled to work, not to exceed eight hours per day.

Sick leave is to be granted for personal illness or illness in the employee's family, or death in employee's family. Sick leave will not be granted for pleasure trips, shopping, hunting, visiting, or for any purpose other than personal illness or illness or death in the employee's family. "Family" means an employee's family related by blood, adoption, or marriage.

If an employee claims sick leave but does not have sick leave days available, any available personal leave or vacation leave will be charged. If no leave of any kind is available, the employee will be docked full pay.

Pay for sick leave shall be at the employee's daily rate of pay, which is that employee's hourly rate of pay times the number of hours normally worked per day.

At the discretion of the employee's supervisor, the District may require a written statement from the employee's physician. Failure to provide such documentation of illness may result in sick leave not being paid, or in dismissal.

Excessive absenteeism, whatever the cause, to the extent that the employee is not carrying out his assigned duties to the degree that the education of students or the efficient operation of a school or the district is substantially adversely affected (at the determination of the Superintendent) may result in dismissal.

The Benton School District will adhere to the current Family Medical Leave Act (FMLA) of 1993.

Employees who are adopting or seeking to adopt a minor child or minor children may use up to 15 sick leave days in any school year for absences relating to the adoption, including time needed for travel, time needed for home visits, time needed for document translation, submission or preparation, time spent with legal or adoption agency representatives, time spent in court and bonding time. Except for bonding time, documentation shall be provided by the employee upon request.

PAYMENT FOR UNUSED SICK LEAVE UPON RETIREMENT

- A. The Classified Employee must sign up to start drawing retirement or be eligible to begin retirement from the State of Arkansas. The Classified Employee who has worked at least ten full years in Benton Public Schools will receive payment for all unused sick leave upon retirement.

The eligible classified employee who works five (5) hours or more each day will be paid 50% of their daily rate of pay, not to exceed \$60 or be less than \$36, for each unused day of sick leave. Eligible employees who work less than five (5) hours per day will be paid 50% of their daily rate of pay, not to exceed \$30 or be less than \$18, for each unused day of sick leave.

- B.** The Classified Employee who has worked less than ten full years in the district will receive payment for a percentage of their unused sick leave days. For example: At least 10 full years = 100%, 9 full years = 90%, and so on. See prorated table below:

10 full years worked in B.P.S. = 100% of days paid
9 full years worked in B.P.S. = 90% of days paid
8 full years worked in B.P.S. = 80% of days paid
7 full years worked in B.P.S. = 70% of days paid
6 full years worked in B.P.S. = 60% of days paid
5 full years worked in B.P.S. = 50% of days paid
4 full years worked in B.P.S. = 40% of days paid
3 full years worked in B.P.S. = 30% of days paid
2 full years worked in B.P.S. = 20% of days paid
1 full year worked in B.P.S. = 10% of days paid

All fractions of days as a result of this percentage process will be rounded up to the nearest half (.5) or whole number.

Upon the death of a Classified Employee during a contract year, the employee's estate shall be paid for any unused accrued sick leave based on procedures stated above.

ACCUMULATION PAY OF UNUSED SICK LEAVE DAYS

After accumulating 90 days unused sick leave, an employee may choose whether to continue accumulating sick leave to a maximum of 120 days or to be paid for each day accumulated in excess of 90 days. If the employee chooses to accumulate 120 days, the district will pay for any unused sick leave days beyond that point.

When payment of unused sick leave days is required, eligible employees who work five (5) hours or more each day will be paid 50% of their daily rate of pay, not to exceed \$60 or be less than \$36, for each eligible day. Employees who work less than five (5) hours per day will be paid 50% of their daily rate of pay, not to exceed \$30 or be less than \$18, for each eligible day.

Employees will be offered this choice before the end of each school year.

8.07—CLASSIFIED PERSONNEL PERSONAL AND PROFESSIONAL LEAVE

Classified employees will be granted three (3) days of personal leave per contract year. Unused personal leave will accumulate to a maximum of five (5) days. Unused personal leave days that exceed the maximum accumulation of five (5) will be added to the employee's accumulated sick leave balance. A "day" is considered to be the normal number of hours the employee is scheduled to work, not to exceed eight hours per day.

Any request for personal leave must have supervisor approval.

Any employee desiring to take personal leave may do so by making a written request to his supervisor at least twenty-four (24) hours prior to the time of the requested leave. The twenty-four hour requirement may be waived by the supervisor when the supervisor deems it appropriate.

If an employee claims personal leave, but does not have personal leave days available, the employee will be docked full pay.

Employees shall take personal leave or leave without pay for those absences which are not due to attendance at school functions and do not qualify for other types of leave (for sick leave see Policy 8.05).

School functions, for the purposes of this policy, means:

1. Athletic or academic events related to a public school district; and
2. Meetings and conferences related to education.

The determination of what activities meet the definition of a school function shall be made by the employee's immediate supervisor or designee. In no instance shall paid leave in excess of allotted vacation days and/or personal days be granted to an employee who is absent from work while receiving remuneration from another source as compensation for the reason for their absence.

Professional Leave

"Professional Leave" is leave granted for the purpose of enabling an employee to participate in professional activities (e.g., workshops or serving on professional committees) which can serve to improve the school district's instructional program or enhances the employee's ability to perform his duties. Professional leave will also be granted when a school district employee is subpoenaed for a matter arising out of the employee's employment with the school district. Any employee seeking professional leave must make a written request to his immediate supervisor, setting forth the information necessary for the supervisor to make an informed decision. The supervisor's decision is subject to review and overruling by the superintendent. Budgeting concerns and the potential benefit for the district's students will be taken into consideration in reviewing a request for professional leave.

Applications for professional leave should be made as soon as possible following the employee's discerning a need for such leave, but, in any case, no less than two (2) weeks before the requested leave is to begin, if possible.

If the employee does not receive or does not accept remuneration for their participation in the professional leave activity and a substitute is needed for the employee, the district shall pay the full cost of the substitute. If the employee receives and accepts remuneration for their participation in the professional leave activity, the employee shall forfeit his/her daily rate of pay from the district for the time the employee misses. The cost of a substitute, if one is needed, shall be paid by the employee/district.

8.08—CLASSIFIED PERSONNEL RESPONSIBILITIES IN DEALING WITH SEX OFFENDERS ON CAMPUS

Individuals who have been convicted of certain sex crimes must register with law enforcement as sex offenders. Arkansas law places restrictions on sex offenders with a Level 1 sex offender having the least restrictions (lowest likelihood of committing another sex crime), and Level 4 sex offenders having the most restrictions (highest likelihood of committing another sex crime).

While Levels 1 and 2 place no restrictions prohibiting the individual's presence on a school campus, Levels 3 and 4 have specific prohibitions. These are specified in Policy 6.10—SEX OFFENDERS ON CAMPUS (MEGAN'S LAW) and it is the responsibility of district staff to know and understand the policy and, to the extent requested aid school administrators in enforcing the restrictions placed on campus access to Level 3 and Level 4 sex offenders.

It is the intention of the board of directors that district staff not stigmatize students whose parents or guardians are sex offenders while taking necessary steps to safeguard the school community and comply with state law. Each school's administration should establish procedures so attention is not drawn to the accommodations necessary for registered sex offender parents or guardians.¹

No sick leave will be granted for the employee's participation in such public office. The employee may take personal leave or vacation (if applicable), if approved in advance by the Superintendent, during his absence.

Prior to taking leave, and as soon as possible after the need for such leave is discerned by the employee, he must make written request for leave to the Superintendent, setting out, to the degree possible, the dates such leave is needed.

8.11—OVERTIME and COMPLYING WITH FLSA for CLASSIFIED PERSONNEL

The Benton School District shall comply with those portions of the Fair Labor Standards Act that relate to the operation of public schools. The act requires that covered employees be compensated for all hours worked at greater than or equal to the applicable minimum wage for workweeks of less than or equal to 40 hours. It also requires that employees be compensated for workweeks of greater than 40 hours at 1 1/2 times their regular rate of pay.

Definitions

Overtime is hours worked in excess of 40 per workweek. Compensation given for hours **not** worked such as for paid holidays or sick days do **not** count in determining hours worked per workweek.

Workweek is the seven day consecutive period of time from 12:00AM on Friday to midnight on the following Thursday. Each workweek is independent of every other workweek for the purpose of determining the number of hours worked and the remuneration entitled to by the employee for that week.

Exempt Employees are those employees who are not covered under the FLSA. They include administrators and professional employees such as teachers, counselors, registered nurses, and supervisors. Any employee who is unsure of their coverage status should consult with the District's Administration.

Covered Employees (also defined as non-exempt employees) are those employees who are not exempt, generally termed noncertified, and include bus drivers, clerical workers, maintenance personnel, custodians, transportation workers, receptionists, paraprofessionals, food service workers, secretaries, bookkeepers, and LPN's.

Regular Rate of Pay includes all forms of remuneration for employment and shall be expressed as an hourly rate. For those employees previously paid on a salary basis, the salary shall be converted to an hourly equivalent. Employees shall be paid for each and every hour worked.

Employment Relationships

The District does not have an employment relationship in the following instances:

1. Between the District and student teachers;
2. Between the District and its students;
3. Between the District and individuals who as a public service volunteer or donate their time to the District without expectation or promise of compensation.

The District does not have a joint employment relationship in the following instances:

1. Between the District and off-duty policemen or deputies who are hired on a part-time basis for security purposes or crowd control. The District is separate from and acts independently of other governmental entities.
2. Between the District and any agency contracted with to provide transportation services, security services, or other services.

Hours Worked

Employees shall be compensated for all hours worked each workweek. Employees shall accurately record the hours they work each week.

The District shall determine the manner to be used by employees to accurately record the hours they work. Each employee shall record the exact time they commence and cease work including meal breaks. Employees arriving early may socialize with fellow workers who are off the clock, but shall not commence working without first recording their starting time.

Employees shall sign in/clock in where they start work and sign out/clock out at the site where they cease working. Employees who do not start and end their workday at the same site shall carry a time card or sheet with them to accurately record their times. They shall turn in their time sheets or cards to their immediate supervisor no later than the following Friday morning after reviewing them to be sure that they accurately reflect their hours worked for that week.

Each employee is to personally record his or her own times. Any employee who signs in or out (or who punches a time clock) for another employee or who asks another employee to do so for him or her will face disciplinary action which may include termination of employment.

Breaks and Meals

Each employee working more than 20 hours per week shall be provided two, paid, 15 minute duty free breaks per workday.

Meal periods which are less than 30 minutes in length or in which the employee is not relieved of duty are compensable. Employees with a bona fide meal period shall be completely relieved of their duty to allow them to eat their meal which they may do away from their work site.

The employee shall not engage in any work for the District during meal breaks except in rare and infrequent emergencies.

Overtime

Covered employees shall be compensated at not less than 1.5 times his or her regular rate of pay for all hours worked over 40 in a workweek. Overtime compensation shall be computed on the basis of the hours worked in each week and may not be waived by either the employee or the District. Overtime compensation shall be paid on the next regular payday for the period in which the overtime was earned.

Employees working two or more jobs for the District at different rates of pay shall be paid overtime at a weighted average of the differing wages. This shall be determined by dividing the total regular remuneration for all hours worked by the number of hours worked in that week to arrive at the weighted average. One half that rate is then multiplied times the number of hours worked over 40 to arrive at the overtime compensation due.

Overtime Authorization

There will be instances where the district's needs necessitate an employee work overtime. It is the Board's desire to keep overtime worked to a minimum. To facilitate this, employees shall receive authorization from their supervisor in advance of working overtime except in the rare instance when it is unforeseen and unavoidable.

All overtime worked will be paid in accordance with the provisions of the FLSA. If the overtime was **not** pre-approved or fit into the exceptions noted previously, disciplinary action must be taken for failure to follow District policy. In extreme and repeated cases, disciplinary action could include the termination of the employee.

Leave Requests

All covered employees shall submit a leave request form prior to taking the leave if possible. If, due to unforeseen or emergency circumstances, advance request was not possible the leave form shall be turned in the day the employee returns to work. Unless specifically granted by the Board for special circumstances, the reason necessitating the leave must fall within District policy.

Payment for leave could be delayed or not occur if an employee fails to turn in the required leave form.

Leave may be taken in a minimum of 15 minute increments.

Record Keeping and Postings

The District shall keep and maintain records as required by the FLSA for the period of time required by the act.

The District shall display minimum wage posters where employees can readily observe them.

Cooperation with Enforcement Officials

All records relating to the FLSA shall be available for inspection by, and District employees shall cooperate fully with, officials from the DOL and/or its authorized representatives in the performance of their jobs relating to:

1. Investigating and gathering data regarding the wages, hours, and other conditions and practices of employment;
2. Entering, inspecting, and/or transcribing the premises and its records;
3. Questioning employees and investigating such facts as the inspectors deem necessary to determine whether any person has violated any provision of the FLSA.

8.18—CLASSIFIED PERSONNEL DEBTS

For the purposes of this policy, "garnishment" of a district employee is when the employee has lost a lawsuit to a judgment creditor who brought suit against a school district employee for an unpaid debt, has been awarded money damages as a result, and these damages are recoverable by filing a garnishment action against the employee's wages. For the purposes of this policy, the word "garnishment" excludes such things as child support, student loan or IRS liens or deductions levied against an employee's wages.

All employees are expected to meet their financial obligations. If an employee writes "hot" checks or has his income garnished by a judgment creditor, dismissal may result.

An employee will not be dismissed for having been the subject of one (1) garnishment. However, a second or third garnishment may result in dismissal.

At the discretion of the Superintendent, he or his designee may meet with an employee who has received a second garnishment for the purpose of warning the employee that a third garnishment will result in a recommendation of dismissal to the School Board.

At the discretion of the Superintendent, a second garnishment may be used as a basis for a recommended dismissal. The Superintendent may take into consideration other factors in deciding whether to recommend dismissal based on a second garnishment. Those factors may include, but are not limited to, the amount of the debt, the time between the first and the second garnishment, and other financial problems which come to the attention of the District.

8.19— CLASSIFIED PERSONNEL GRIEVANCES

The purpose of this policy is to provide an orderly process for employees to resolve, at the lowest possible level, their concerns related to the personnel policies or salary payments of this district.

Definitions

Grievance: a claim or concern related to the interpretation, application, or claimed violation of the personnel policies, including salary schedules, federal or state laws and regulations, or terms or conditions of employment, raised by an individual employee of this school district. Other matters for which the means of resolution are provided or foreclosed by statute or administrative procedures shall not be considered grievances. Specifically, no grievance may be entertained against a supervisor for directing, instructing, reprimanding, or “writing up” an employee under his/her supervision. A group of employees who have the same grievance may file a group grievance.

Group Grievance: A grievance may be filed as a group grievance if it meets the following criteria: (meeting the criteria does not ensure that the subject of the grievance is, in fact, grievable)

1. More than one individual has interest in the matter; and
2. The group has a well-defined common interest in the facts and/or circumstances of the grievance; and
3. The group has designated an employee spokesperson to meet with administration and/or the board; and
4. All individuals within the group are requesting the same relief.

Employee: any person employed under a written contract by this school district.

Immediate Supervisor: the person immediately superior to an employee who directs and supervises the work of that employee.

Working day: Any weekday other than a holiday whether or not the employee under the provisions of their contract is scheduled to work or whether they are currently under contract.

Process

Level One: An employee who believes that he/she has a grievance shall inform that employee’s immediate supervisor that the employee has a potential grievance and discuss the matter with the supervisor within five working days of the occurrence of the grievance. The supervisor shall offer the employee an opportunity to have a witness or representative who is not a member of the employee’s immediate family present at their conference. (The five-day requirement does not apply to grievances concerning back pay.) If the grievance is not advanced to Level Two within five working days following the conference, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

If the grievance cannot be resolved by the immediate supervisor, the employee can advance the grievance to Level Two. To do this, the employee must complete the top half of the Level Two Grievance Form within five working days of the discussion with the immediate supervisor, citing the manner in which the specific personnel policy was violated that has given rise to the grievance, and submit the Grievance Form to his/her immediate supervisor. The supervisor will have ten working days to respond to the grievance using the bottom half of the Level Two Grievance Form which he/she will submit to the building principal or, in the event that the employee’s immediate supervisor is the building principal, the superintendent.

Level Two (when appeal is to the building principal): Upon receipt of a Level Two Grievance Form, the building principal will have ten working days to schedule a conference with the employee filing the grievance. The principal shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the principal will have ten working days in which to deliver a written response to the grievance to the employee. If the grievance is not advanced to Level Three within five working days the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

Level Two (when appeal is to the superintendent): Upon receipt of a Level Two Grievance Form, the superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Level Three: If the proper recipient of the Level Two Grievance was the building principal, and the employee remains unsatisfied with the written response to the grievance, the employee may advance the grievance to the superintendent by submitting a copy of the Level Two Grievance Form and the principal's reply to the superintendent within five working days of his/her receipt of the principal's reply. The superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Appeal to the Board of Directors: An employee who remains unsatisfied by the written response of the superintendent may appeal the superintendent's decision to the Board of Education within five working days of his/her receipt of the Superintendent's written response by submitting a written request for a board hearing to the superintendent. If the grievance is not appealed to the Board of Directors within five working days of his/her receipt of the superintendent's response, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

The school board will address the grievance at the next regular meeting of the school board, unless the employee agrees in writing to an alternate date for the hearing. After reviewing the Level Two Grievance Form and the superintendent's reply, the board will decide if the grievance, on its face, is grievable under district policy. If the grievance is presented as a "group grievance," the Board shall first determine if the composition of the group meets the definition of a "group grievance." If the Board determines that it is a group grievance, the Board shall then determine whether the matter raised is grievable. If the Board rules the composition of the group does not meet the definition of a group grievance, or the grievance, whether group or individual, is not grievable, the matter shall be considered closed. (Individuals within the disallowed group may choose to subsequently refile their grievance as an individual grievance beginning with Level One of the process.) If the Board rules the grievance to be grievable, they shall immediately commence a hearing on the grievance. All parties have the right to representation by a person of their own choosing who is not a member of the employee's immediate family at the appeal hearing before the Board of Directors. The employee shall have no less than 90 minutes to present his/her grievance, unless a shorter period is agreed to by the employee, and both parties shall have the opportunity to present and question witnesses. The hearing shall be open to the public

unless the employee requests a private hearing. If the hearing is open, the parent or guardian of any student under the age of eighteen years who gives testimony may elect to have the student's testimony given in closed session. At the conclusion of the hearing, if the hearing was closed, the Board of Directors may excuse all parties except board members and deliberate, by themselves, on the hearing. At the conclusion of an open hearing, board deliberations shall also be in open session unless the board is deliberating the employment, appointment, promotion, demotion, disciplining, or resignation of the employee. A decision on the grievance shall be announced no later than the next regular board meeting.

Records

Records related to grievances will be filed separately and will not be kept in, or made part of, the personnel file of any employee.

Reprisals

No reprisals of any kind will be taken or tolerated against any employee because he/she has filed or advanced a grievance under this policy.

4. Procedures

Filing of a complaint or otherwise reporting sexual harassment or sex discrimination will not reflect upon the individual's status nor will it affect future employment, grades or work assignments.

Upon receipt of a report of sexual harassment, the building principal or counselor or other staff member shall immediately notify the Equity Coordinator without screening or investigating the report. If the report is given verbally, the principal, counselor or staff member will reduce it to a written form within 24 hours and forward it to the Equity Coordinator.

The Equity Coordinator shall immediately authorize an investigation, which may be conducted by school officials. A written report on the investigation will be provided to the Equity Coordinator within 10 school days of the complaint or report of sexual harassment.

The investigation may consist of personal interviews with the person filing a complaint, the individual(s) against whom the complaint is filed and others who may have knowledge of the alleged incident or circumstances surrounding the complaint.

In addition, the District may take immediate steps, at its discretion, to protect the person filing the complaint pending the completion of the investigation.

5. School District Action

Upon receipt of a recommendation that the complaint is valid, the District will take such action as appropriate based on the results of the investigation. If the harasser is a student, disciplinary action may include suspension or expulsion. If the harasser is an employee, disciplinary action may include termination or non-renewal.

In order to obtain leave under this policy, the staff member must present documentation of the injury from a physician, with an estimate for time of recovery sufficient to enable the staff member to return to work, and written statements from witnesses (or other documentation as appropriate to a given incident) to prove that the incident occurred in the course of the staff member's employment.

8.28—DRUG FREE WORKPLACE - CLASSIFIED PERSONNEL

This policy applies to all employees and applies when they are performing their normal assigned duties on or off school premises or as part of school activities.

The Benton Public School District is strongly committed to providing a drug free workplace both for the health and safety of its employees and as an example to its students. This policy serves as a mechanism to fulfill this philosophy and to comply with the Drug Free Workplace Act of 1988 and the Drug Free Schools and Communities Act Amendment of 1989, Public Law 101-226.

An employee shall not manufacture, possess, sell, use, distribute, dispense or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcohol or other controlled substances as defined in Act 590 of 1971 and as amended by subsequent enactments by the general assembly of Arkansas including but not limited to the definition of counterfeit substances as defined in Act 787 of 1983 of the State of Arkansas.

To help promote a drug free workplace, the district shall establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the district's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance abuse programs, and the penalties that may be imposed upon employees for drug abuse violations. Such services are available from the following sources: Corphealth/STAR EAP, 1-866-378-1645 and the Counseling Clinic Inc., 301 East Sevier Street, Benton.

Compliance with this policy is a condition of employment and all employees will abide by the terms of this policy. Any employee convicted of a criminal drug or alcohol statute violation that occurred under the terms of this policy is required to notify their supervisor no later than five calendar days after such conviction. The supervisor shall notify the superintendent. The Benton School District will notify all applicable federal/state agencies within ten calendar days after receiving such notice from the employee or other actual notice. Any employee in violation will be subject to disciplinary action up to and including termination of employment and referral for prosecution. Actual decision on the disciplinary alternative will be made on an individual case basis and shall be in the hands of the staff person's immediate supervisor, the Director of Personnel, and the superintendent. The district will take appropriate personnel action within 30 calendar days of receiving notification of any criminal drug or alcohol statute conviction of an employee.

This policy in no way limits the rights of the district or its employees as defined by the laws of the state of Arkansas.

8.30—CLASSIFIED PERSONNEL REDUCTION IN FORCE

The School Board acknowledges its authority to conduct a reduction in force (RIF) when a decrease in enrollment or other reason(s) make such a reduction necessary or desirable. A RIF will be conducted when the need for a reduction in the work force exceeds the normal rate of attrition for that portion of the staff that is in excess of the needs of the district as determined by the superintendent.

In effecting a reduction in force, the primary goals of the school district shall be: what is in the best interests of the students; to maintain accreditation in compliance with the Standards of Accreditation for Arkansas Public Schools and/or the North Central Association; and the needs of the district. A reduction in force will be implemented when the superintendent determines it is advisable to do so and shall be effected through non-renewal, termination, or both. Any reduction in force will be conducted by evaluating the needs and long- and short-term goals of the school district in relation to the staffing of the district.

If a reduction in force becomes necessary, the RIF shall be conducted separately for each occupational category of classified personnel identified within the district on the basis of each employee's years of service. The employee within each occupational category with the least years of experience will be non-renewed first. The employee with the most years of employment in the district as compared to other employees in the same category shall be non-renewed last. In the event that employees within a given occupational category have the same length of service to the district the one with the earlier hire date, pending board approval, will prevail. In the event that two employees have exactly the same hire date, additional factors such as attendance records and documented disciplinary actions will be considered.

When the District is conducting a RIF, all potentially affected classified employees shall receive a listing of the personnel within their category with corresponding totals of years of service. Upon receipt of the list, each employee has ten (10) working days within which to appeal his or her total years of service to the superintendent whose decision shall be final. Except for changes made pursuant to the appeals process, no changes will be made to the list that would affect an employee's total after the list is released.

Total years of service to the district shall include non-continuous years of service; in other words, an employee who left the district and returned later will have the total years of service counted, from all periods of employment. A year constitutes 160 or more days worked. Length of service in a licensed position shall not count for the purpose of length of service for a classified position. There is no right or implied right for any employee to "bump" or displace any other employee. This specifically does not allow a licensed employee who might wish to assume a classified position to displace a classified employee.

Pursuant to any reduction in force brought about by consolidation or annexation and as a part of it, the salaries of all employees will be brought into compliance, by a partial RIF if necessary, with the receiving district's salary schedule. Further adjustments will be made if length of contract or job assignments change.

If a classified employee is non-renewed under this policy, he or she shall be offered an opportunity to fill a classified vacancy comparable as to pay, responsibility and contract length to the position from which the employee was non-renewed, and for which he or she is qualified for a period of up to two (2) years, with

the starting date of the two (2) year period being the date of board action on the non-renewal recommendation. The non-renewed employee shall be eligible to be recalled for a period of two (2) years in reverse order of the non-renewal to any position for which he or she is qualified. No right of recall shall exist for non-renewal from a stipend, or non-renewal or reduction of a stipend, or non-renewal to reduce contract length. Notice of vacancies to non-renewed employees shall be by first class mail to all employees reasonably believed to be both qualified for and subject to rehire for a particular position and they shall have 10 working days from the date that the notification is mailed in which to conditionally accept or reject the offer of a position with the actual offer going to the qualified employee with the most years of service who responds within the 10 day time period. A lack of response or a non-renewed employee's refusal of an offer of a position or an employee's acceptance of a position but failure to sign an employment contract within two business days of the contract being presented to the employee shall end the district's obligation to rehire the non-renewed employee and no further rights to be rehired shall exist.

In the event the district is involved in an annexation or consolidation, employees from all the districts involved will be ranked according to years of service. A year of employment at an annexed or consolidated district will be counted the same as a year at the receiving or resulting district. No credit for years of service will be given at other public or private schools, or for higher education or Educational Service Cooperative employment.

The Superintendent, in developing the calendar, shall accept and consider recommendations from any staff member or group wishing to make calendar proposals. The Certified PPC shall have the time prescribed by law and/or policy in which to make any suggested changes before the board may vote to adopt the calendar.

8.34—CLASSIFIED PERSONNEL WHO ARE MANDATORY REPORTERS DUTY TO REPORT CHILD ABUSE, MALTREATMENT OR NEGLECT

It is the statutory duty of classified school district employees who are mandatory reporters and who have reasonable cause to suspect child abuse or maltreatment to directly and personally report these suspicions to the Arkansas Child Abuse Hotline, by calling 1-800-482-5964. Failure to report suspected child abuse, maltreatment or neglect by calling the Hotline can lead to criminal prosecution and individual civil liability of the person who has this duty. Notification of local or state law enforcement does not satisfy the duty to report; only notification by means of the Child Abuse Hotline discharges this duty.

The duty to report suspected child abuse or maltreatment is a direct and personal duty for statutory mandatory reporters, and cannot be assigned or delegated to another person. There is no duty to investigate, confirm or substantiate statements a student may have made which form the basis of the reasonable cause to believe that the student may have been abused or subjected to maltreatment by another person; however, a person with a duty to report may find it helpful to make a limited inquiry to assist in the formation of a belief that child abuse, maltreatment or neglect has occurred, or to rule out such a belief. Employees and volunteers who call the Child Abuse Hotline in good faith are immune from civil liability and criminal prosecution.

By law, no school district or school district employee may prohibit or restrict an employee or volunteer who is a mandatory reporter from directly reporting suspected child abuse or maltreatment, or require that any person notify or seek permission from any person before making a report to the Child Abuse Hotline.

8.35—OBTAINING and RELEASING of STUDENT’S FREE and REDUCED PRICE MEAL ELIGIBILITY INFORMATION

Obtaining Eligibility Information

A fundamental underpinning of the National School Lunch and School Breakfast Programs (Programs) is that in their implementation, there will be no physical segregation of, discrimination against, or overt identification of children who are eligible for the Program's benefits. While the requirements of the Programs are defined in much greater detail in federal statutes and pertinent Code of Federal Regulations, this policy is designed to help employees understand prohibitions on how the student information is obtained and/or released through the Programs. Employees with the greatest responsibility for implementing and monitoring the Programs should obtain the training necessary to become fully aware of the nuances of their responsibilities.

The District is required to inform households with children enrolled in District schools of the availability of the Programs and of how the household may apply for Program benefits. However, the District and anyone employed by the district is strictly forbidden from requiring any household or student within a household from submitting an application to participate in the program. There are NO exceptions to this prohibition and it would apply, for example, to the offer of incentives for completed forms, or disincentives or negative consequences for failing to submit or complete an application. Put simply, federal law requires that the names of the children shall not be published, posted or announced in any manner.

In addition to potential federal criminal penalties that may be filed against a staff member who violates this prohibition, the employee shall be subject to discipline up to and including termination.

Releasing Eligibility Information

As part of the district’s participation in the National School Lunch Program and the School Breakfast Program, the district collects eligibility data from its students. The data’s confidentiality is very important and is governed by federal law. The district has made the determination to release student eligibility status or information as permitted by law. Federal law governs how eligibility data may be released and to whom. The district will take the following steps to ensure its confidentiality:

Some data may be released to government agencies or programs authorized by law to receive such data without parental consent, while other data may only be released after obtaining parental consent. In both instances, allowable information shall only be released on a need to know basis to individuals authorized to receive the data. The recipients shall sign an agreement with the district specifying the names or titles of the persons who may have access to the eligibility information. The agreement shall further specify the specific purpose(s) for which the data will be used and how the recipient(s) shall protect the data from further, unauthorized disclosures.

The superintendent shall designate the staff member(s) responsible for making eligibility determinations. Release of eligibility information to other district staff shall be limited to as few individuals as possible who shall have a specific need to know such information to perform their job responsibilities. Principals, counselors, teachers, and administrators shall not have routine access to eligibility information or status.

Each staff person with access to individual eligibility information shall be notified of their personal liability for its unauthorized disclosure and shall receive appropriate training on the laws governing the restrictions of such information.

8.36—CLASSIFIED PERSONNEL WORKPLACE INJURIES and WORKERS’ COMPENSATION

The district provides Workers’ Compensation Insurance, as required by law. Employees who sustain any injury at work must immediately notify their immediate supervisor, or in the absence of their immediate supervisor notify the accounting department. An injured employee must fill out a Form N. While many injuries will require no medical treatment or time lost at work, should the need for treatment arise later, it is important that there be a record that the injury occurred. All employees have a duty to provide information and make statements as requested for the purposes of the claim assessment and investigation.

For injuries requiring medical attention, the district will exercise its right to designate the initial treating physician and an injured employee will be directed to seek medical attention, if necessary, from a specific physician or clinic.

A Workers’ Compensation absence may run concurrently with FMLA leave (policy 3.32) when the injury is one that meets the criteria for a serious health condition. To the extent that workers’ compensation benefits and FMLA leave run concurrently, the employee will be charged for any paid leave accrued by the employee at the rate necessary to bring the total amount of combined income up to 100% of usual contracted daily rate of pay. If the health care provider treating the employee for the workers compensation injury certifies the employee is able to return to a “light duty job,”* but is unable to return to the employee’s same or equivalent job, the employee may decline the District’s offer of a “light duty job.” As a result, the employee may lose his/her workers’ compensation payments, but for the duration of the employee’s FMLA leave, the employee will be paid for the leave to the extent that the employee has accrued applicable leave.

To the extent an employee has accrued sick leave and a WC claim has been filed:

- the employee will be charged for a day's sick leave for the all days missed until such time as the WC claim has been approved or denied;
- an employee whose WC claim is accepted by the WC insurance carrier as compensable and who is absent for eight or more days shall be charged sick leave at the rate necessary, when combined with WC benefits, to bring the total amount of combined income up to 100% of the employee's usual contracted daily rate of pay;
- an employee whose WC claim is accepted by the WC insurance carrier as compensable and is absent for 14 or more days will be credited back that portion of sick leave for the first seven (7) days of absence that is not necessary to have brought the total amount of combined income up to 100% of the employee's usual contracted gross pay.

*The determination of an available “light duty job” will be made by the Superintendent or his designee.

8.37—CLASSIFIED PERSONNEL SOCIAL NETWORKING AND ETHICS

District staff are encouraged to use educational technology, the Internet, and professional/education social networks to help raise student achievement and to improve communication with parents and students. However, technology and social networking websites also offer staff many ways they can present themselves unprofessionally and/or interact with students inappropriately.

It is the duty of each staff member to appropriately manage all interactions with students, regardless of whether contact or interaction with a student occurs face-to-face or by means of technology, to ensure that the appropriate staff/student relationship is maintained. This includes instances when students initiate contact or behave inappropriately themselves.

Social networking websites are online groups of Internet users allowing communication between multiple individuals. The fundamental purpose of social networking websites is to socialize. Examples include, but are not limited to, Facebook, MySpace, and Twitter. Staff members are discouraged from creating personal social networking sites to which they invite students to be friends or followers. Employees taking such action do so at their own risk and are advised to monitor the site's privacy settings regularly.

Whether permitted or not specifically forbidden by policy, or when expressed in an adult-to-adult, face-to-face context, what in other mediums of expression could remain private opinions, when expressed by staff on a social networking website, have the potential to be disseminated far beyond the speaker's desire or intention.

Public school employees are, and always have been, held to a high standard of behavior. Staff members are reminded that whether specific sorts of contacts are permitted or not specifically forbidden by policy, they will be held to a high standard of conduct in all their interactions with students. Failure to create, enforce and maintain appropriate professional and interpersonal boundaries with students could adversely affect the District's relationship with the community and jeopardize the employee's employment with the district.

8.39—DEPOSITING COLLECTED FUNDS

From time to time, staff members may collect funds in the course of their employment. It is the responsibility of any staff member to deposit such funds they have collected daily into the appropriate accounts for which they have been collected. The Superintendent or his/her designee shall be responsible for determining the need for receipts for funds collected and other record keeping requirements and of notifying staff of the requirements.

Staff that use any funds collected in the course of their employment for personal purposes, or who deposit such funds in a personal account, may be subject to discipline up to and including termination.

8.71 – CLASSIFIED PERSONNEL VACATION

All employees are entitled to five (5) days of paid vacation during the first year of employment. Employees who have worked at least one-half year and less than one year will receive 2 and ½ to 4 paid vacation days pro-rated to number of months they have worked or contracted to work.

After one year of regular employment, non-certified employees will receive the following number of vacation days:

Number of Months Contracted	Number of Vacation Days
9 months (less than 205 days)	7 days
10 months (205-224 days)	8 days
11 months (225-249 days)	9 days

Paid vacation is calculated as part of annual compensation and not taken as actual leave.

Twelve month employees:

After first full year of employment, employees issued twelve (12) month contracts (250 days or more) will be credited with 10 days of vacation leave. Employees must have their vacation time approved by their supervisor. A supervisor may deny an employee's request for a vacation day if the absence would, in the supervisor's opinion disrupt the educational process or normal district operations.

Vacation days earned by twelve-month employees of the Benton School District may be accumulated up to a total of 25 days with ten (10) additional days credited at the beginning of each contract year (total of 35 maximum).

Employees terminating service at the end of the contract year will take accumulated vacation time prior to termination.

Upon termination of employment, payment for unused vacation leave will be made **only** when termination coincides with the end of the contract year and the employee has been asked by the Superintendent to work through the end of the contract year in lieu of taking available vacation. Under all other circumstances, no payment will be made for unused vacation leave.

- (5) Christmas Eve
- (6) Christmas Day

Personnel who work on a 9, 10, or 11-month contract will be paid for nine (9) holidays - the Fourth of July will be excluded. All employees must be employed by the school district on the day before a holiday occurs to receive compensation for that holiday. If the paid holiday occurs on Saturday or Sunday, the holiday will be observed in accordance with the school calendar. Arrangements to work during the paid holiday and take off another workday must be made individually with the supervisor responsible for the work of the non-certified employee. To prevent misunderstanding, the agreement should be in writing in the supervisor's office.

**In cases of excessive days of school closings beyond the scheduled inclement weather days, employees may be required to substitute alternate dates for paid holidays in order to maximize the number of student/teacher interaction days before June 1.
