

## **5.72 – SELECTION OF TEXTBOOKS**

All textbooks shall be approved by the Board of Education upon the recommendation of the Superintendent. All adoptions are for a minimum of six years.

The Director of Curriculum and Instruction in charge of instruction will supervise the appointment of committees on a subject matter basis.

### **Grades 1-6**

The committee shall make a thorough study of all textbooks on the State Adopted Multiple List before recommending the book or books desired by the majority of the committee to the Superintendent.

### **Grades 7-12**

In selection of secondary textbooks, the local textbook selection committee will survey the field of available books and after careful study recommend to the Superintendent of Schools the book of their choice.

Textbook consultants or representatives may not contact or advise textbook selection committee members while their company's textbook is being considered for adoption.
