

Registration Tips

- You must create an account, using the email address that you want to use to receive all correspondence from district.
- Scroll to the bottom of each section.
- You will be asked to upload the following items:
 - Birth Certificate
 - Proof of Residence (requires 2)
 - Court Order (if applicable)
 - Shot Record
 - Parent Photo ID
 - Copy of student social security card
 - Meal Status- not available yet
 - Copy of physical- (kindergarten only)

Some of these items may not be current, please submit current ones by first day of school.

Home Language Survey is currently not available online, check with your building to complete.

- You may submit without uploading required documentation. Your registration will not be complete until all entrance requirements for admissions to the Benton School District have been met.
- The online registration will ask if your child is an immigrant. Please use the following state defined definition to answer this question.
 - Immigrant- a student who is:
 1. Between the ages of 3 and 21
 2. Who was not born in the United States
 3. Has not attended any U. S. school for more than 3 full academic years

Assessments for Kindergarten

After submission, please use the [Schedule Assessment](#) link on the **Registration** page to schedule your student's assessment time. Make sure you have reserved a time with the correct elementary school. If you do not sign up for an assessment time, one will be assigned to you.
